known as the father of church history eusebius was bishop of caesarea in palestine and the leading christian scholar of his day his ecclesiastical history is an irreplaceable chronicle of christianity s early development from its origin in judaism through two and a half centuries of illegality and occasional persecution to a new era of tolerance and favor under the emperor constantine in this book michael j hollerich recovers the reception of this text across time as he shows eusebius adapted classical historical writing for a new nation the christians with a distinctive theo political vision eusebius s text left its mark on christian historical writing from late antiquity to the early modern period across linguistic cultural political and religious boundaries until its encounter with modern historicism and postmodernism making christian history demonstrates eusebius s vast influence throughout history not simply in shaping christian culture but also when falling under scrutiny as that culture has been reevaluated reformed and resisted over the past 1 700 years

the life of faith in god constantly involves thinking for others acting in concern for other people reflection upon such action involves christian ethics as individuals we are concerned with personal ethics in our relationships with other individuals as persons in society and members of the christian community we are concerned with social ethics with relationships in society as a whole and in christian responsibility towards all human beings the purpose of this thought provoking book is to provide an account of the implications of god s love for our response to a number of highly particular and urgent ethical issues in the modern world in it george newlands examines the major issues of the church and the social order peace and war in a nuclear age personal relationships sex and moral values legal and medical ethical issues respect for life and respect for persons and the meaning of

justice within the conflicting interests of society what dr newlands offers are not authoritative pronouncements on these issues but considered suggestions and he shows how no area of life is excluded from the reality and the opportunity of making christian decisions

in this wide ranging book rowan williams argues that what we say about jesus christ is key to understanding what christian belief says about creator and creation overall through detailed discussion of texts from the earliest centuries to the present day we are shown some of the various and subtle ways in which christians have discovered in their reflections on christ the possibility of a deeply affirmative approach to creation and a set of radical insights in ethics and politics as well throughout his life rowan williams has been deeply influenced by thinkers of the eastern christian tradition as well as catholic and anglican writers this book draws on insights from eastern christianity from the western middle ages and from reformed thinkers from calvin to bonhoeffer as well as considering theological insights sparked by philosophers like kierkegaard and wittgenstein christ the heart of creation concerns fundamental issues for christian belief and williams tackles them head on he writes with pellucid clarity and shows his gift for putting across what are inevitably complex ideas to a wide audience
